bigoted party, but embraces a system of practice, not only sound and rational, but truly scientific in its meas-After many solicitations from physiciens and others of this State, the Doctor has consented to make the State of Indiana his permanent abode. He will visit any town in the State by request of six or more of its citizens, and treat all cases presented with a success seldom attained His examinations will be made with great care, and his opinion given freely and frankly, and without change, thereby saving expense, and satisfying the minds of the patients and friends.

To ladies who are incapable of bearing healthy offspring, from deformity or otherwise, will find his advice invaluable. Other interesting and important advice will be given to married ladies, as his opportualties have been such that all the intricate cases of female complaints have been fully comprehended, and the causes of the dis-eases truly ascertained, rendering his opinions correct,
